Learn or demonstrate a bowline knot	Work on the cruise report	Work on cruise data	Crew interaction	Document phenomenon in the atmosphere

#CoCreatingGFI

### Make the most out of your field work

Students often don't know what to do in the field, and there may be a lot of waiting. By equipping students with an activity bingo, they can cover a range of activities that are encouraged, but not necessarily obvious for students to take part in during their fieldwork.
